## Mālama Ola is Here to Help

Our organization has been preparing well for the current pandemic. We have increased our staffing and have capacity to help you care for your patients. We have implemented measures to keep our patients, families and staff safe. We are using telemedicine and new in-home respite options to best serve our patients and families. We are committed to offering the best care possible to your fragile patients in the safest place – their own homes. **Please call us day or night at 808-543-1188 to learn more about our Hospice and Supportive Care programs.**
